

HP Pavilion x360 14 Convertible PC

Creators. Influencers. It's your turn.

Be free to create, connect and share in more ways with the new Pavilion x360. With the latest technology and an ultrathin and light design, this powerful PC is the one device for everything you're into.

High Performance

360° rotation design

Micro Edge Bezel Display

PLAY

Powerful laptop

Multitasking feels easy and fast with the performance of a powerful PC. With up to 8th generation Intel® Core™ i7 processor¹ and NVIDIA® MX130 GDDR5 Graphics on select models, you have all the power you need to get things done.

Work. Write. Play. Naturally.

A durable 360-degree geared hinge gets you in the perfect position to work, write, watch, and play. Easily convert to tablet for notetaking and drawing that feels as natural as pen on paper.

Sleek and slender

A narrow bezel design² allows a 14.0" diagonal screen to fit in a 13.3" chassis for a small footprint everywhere you go.

A truly powerful audio experience

With dual HP speakers, HP Audio Boost, and custom tuning by the experts at B&O PLAY, you can experience rich, authentic audio. Let the sound move you.

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ² Micro Edge Bezel: Below 7mm including A/rear cover. Bezel measurement is from the inside edge of the inactive area of the display panel to the inside edge of the PC casing.

Features

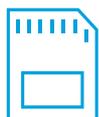

USB-C™^{1,2}

Transfer data at high speeds to or from your external storage with this USB-C™ port. And it's reversible, so you never have to worry about plugging in upside down.

Pen-enabled³

Write, draw, and edit on a device with full support for Windows 10 Inking features. Thanks to Microsoft's Universal Pen standards, any Universal Pen accessory will let you rewrite your PC experience.

Memory Card reader

Simply insert a memory card and increase your device's storage for more movies, photos, and music, or easily access any content you have stored on an existing card.

360° geared hinge

Innovatively engineered to rotate 360° so that you can use your device in four modes. Work in laptop mode, watch in stand mode, play in tent mode, and go in tablet mode.

Choose your colour⁴

Personalize your PC with your choice of colour, for style that matches yours.

Dropbox cloud storage⁵

Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access

McAfee LiveSafe 30-day trial⁶

Protect your operating system with a free 30-day McAfee LiveSafe subscription.

Fingerprint reader (for FF+ model only)⁷

Seamlessly log in into your device in any mode with the touch of your finger. Patented 3-D fingerprint technology ensures secure access and online payments.

Thin and light design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

World Facing Camera (Optional for FF+ model)⁸

Log in safely through Windows Hello with the infrared sensor. With an 88-degree, wide-angle field of view, you can video chat with your entire family or group of friends in stunning detail.

Windows 10 (with Windows Hello)

Do great things confidently with the familiar feel of Windows⁹ – only better. Be more secure, more productive, and get more personal with preinstalled features and enhancements like Windows Hello and Cortana.¹⁰

Dual Storage (SSD+HDD)

By including both an SSD drive for the operating system and a traditional hard drive you get the benefits of both worlds—fast boot up times, snappy responsiveness, and larger storage capacity.

HP Fast Charge (50% in 45 mins)

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.¹¹

Intel® Optane™

Get near SSD performance without sacrificing the storage of your traditional hard drive. This smart system accelerator learns from your everyday computing and helps your performance—making everything fast, smooth, and responsive.¹²

¹ Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. ² USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum. ³ Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See windows.com. Apps sold separately. ⁴ Colours may vary by region. ⁵ 25GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at dropbox.com. Internet service required and not included. ⁶ Protect your operating system with a free 30-day McAfee LiveSafe subscription. ⁷ Internet service required and not included. ⁸ Features may require software or other 3rd party applications to provide the described functionality. ⁹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See microsoft.com. ¹⁰ Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See windows.com. Apps sold separately. ¹¹ Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See store.hp.com for a full list of product features. ¹² 7th Generation Intel® Core™ i processor or later required.
